
At FDW, we're more than just attorneys—we're business owners, too. That's why we have the know-how to take care of problems for our clients before they occur, stop small problems from getting bigger, or keep big problems under control.

You've heard an "ounce of prevention is worth a pound of cure?" Proactively handling matters by reviewing a contract before it becomes a dispute or implementing HR policies and training before an EEOC claim arises means the FDW team helps our clients meet these daily challenges of running their businesses.

Sometimes problems arise that go beyond the level of routine legal advice. FDW can help you unravel legal snafus caused by bureaucratic red tape, defend lawsuits and help guide you through your legal problems.

Other times a problem can become a crisis. That's when having FDW at your side can be essential. When the situation dictates, our team has the experience and the resources to give you rapid-fire responses to your critical legal issues.

Hiring an attorney can be expensive, no matter what your legal need. Not hiring the right attorney can be even more expensive. Let us review your situation and help determine the best course of action, including providing you a benchmark for your legal fees. Please contact us at 770-478-9950 or lfincher@fdwlaw.com.

OUR COMMITMENT

In addition to our commitment to our clients, FDW is committed to our community. Our firm and our employees have donated time and resources to help make our neighborhoods better places to live. We are actively involved in many professional, civic and religious organizations, including Boy Scouts of America, Partners in Education and several local Chambers of Commerce.

We were the Clayton County Chamber of Commerce's 2006 Small Business of the Year and nominated for the Gwinnett County Chamber of Commerce's 2009 Pinnacle Small Business Award.

OUR STANDARD

FDW is an AV-rated law firm. The Martindale-Hubbell® Bar Register is limited to only the most distinguished law practices; those that achieved the AV® rating in the Martindale-Hubbell® Law Directory. The "A" signifies the highest level of legal ability; while the "V" denotes "very high" adherence to the professional standards of conduct, ethics, reliability and diligence.
